Where are data center custom server cabinets made?
AMCO Enclosures offers data center custom server cabinets,cases,cages,cable management,and PowerWhips products. All our custom data center network racks and server racks are manufactured right here in the USA at our facility in Des Plaines,IL. This includes data center custom server cabinets,cases,cages,cable management,and PowerWhips products.
What is a server rack & network rack?
Open and enclosed server rack and network rack solutions for a variety of environments including data centers, server rooms, network closets, offices, industrial, and specialty applications. Bring networking and computing exactly where you want it - like the factory floor or warehouse - with NEMA & IP ratings to protect from dust and moisture.
Why should you choose custom server racks & network cabinets?
Starting with flexible, easily installed, adaptable and pre-configured customized server racks and network cabinets saves you costs, footprint and it increases the performance, efficiency, and reliability of your critical infrastructure. Let's discover the data center custom containment solutions that help you reach your objectives.
Where are custom network racks manufactured?
At our facility in Des Plaines,IL,all custom network racks and server racks are manufactured in the USA. In addition to producing standard configurations,we excel in providing customized solutions,including custom network racks.
