What is a 100kW AC-DC converter cabinet?

Depending on the AC voltage. The 100kW,690V AC-DC converter cabinet is a non-isolated high-power solution that operates at a maximum power of 100kW at 690V AC. With an operational voltage range from a minimum of 400 ph-ph V AC rms to a maximum of 690 ph-ph V AC rms, and a maximum current capacity of 80 A AC phase current on AC side.

What is the icon 100kW 215kwh battery storage system?

The iCON 100kW 215kWh Battery Storage System is a fully integrated, on or off grid battery solution that has liquid cooled battery storage (215kWh), inverter (100kW), temperature control and fire safety system all housed within a single outdoor rated IP55 cabinet.

What cooling options are available for outdoor Telecom cabinet?

Outdoor Telecom Cabinet Cooling options: such as cooling fans, Cabinet air conditioner, Plate heat exchanger and Thermoelectric cooler available. Monitor door open status inside cabinet and provide real time alarm. Monitor water status inside cabinet and provide real time alarm.

This fully integrated 100kW/215kWh system combines high-density battery storage with intelligent power management in a single, factory-assembled unit - delivering unmatched performance and reliability ...

Engineered for high-capacity commercial and industrial applications, this all-in-one outdoor solution integrates lithium iron phosphate batteries, modular PCS, ...

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable operation of communication base stations.

THES38BA-100/215 air-cooled energy storage cabinet with 100kW/215kWh capacity. High-efficiency LFP system with >6000 cycle life for data centers, renewables, and backup power.

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable ...

The Base Station Energy Cabinet is a fully enclosed, weather-resistant telecom energy cabinet designed to provide reliable power distribution and battery backup for outdoor communication networks.
