------------------------------------------------------------

What is rack rental hosting?

Rack Rental Hosting is a service that provides customers with dedicated space within a data center to house their own servers and IT equipment. The rented rack is exclusively for the client's use, offering a secure, controlled environment with reliable power, cooling, and high-speed connectivity.

Why should you choose urack for your managed dedicated server?

When you choose Urack as the host of your managed dedicated server,you "think outside the rack." Urack truly caters to you,the little guy,by providing you the opportunity to lease 1 U of rack space. Many server or systems administrators cannot afford to purchase an entire rack of 42 spaces.

How much does rack space cost at QuoteColo?

QuoteColo offers full rack space for medium and large web based companies,starting from $700depending on the data center location and server rack space rental agreement. Full racks range from 42-44U,30-40Amps 110v and 100Mbps. Advantages of Rack Space Rental
