What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is an outdoor telecom enclosure?

Our outdoor telecom enclosures support a wide range of telecommunications and infrastructure needs: Fiber Optic Networks: From compact fiber distribution units to high-capacity data center enclosures like the AP-Data with six slack frames, our cabinets manage dark-fiber volumes with organized cable management and secure slack storage.

Are Aze Telecom cabinets waterproof?

AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets. Designed to protect your equipment from rain,dust,and extreme temperatures,our waterproof and customizable solutions ensure reliability in any environment. Learn more! IP55Rated |24U |AC110V or 220V 2700BTU Cabinet Air Conditioner

What is a multitenant outdoor cabinet?

Vikinator's multitenant outdoor cabinets enable multiple operators or equipment types to share the same protected infrastructure. Segmented internal layouts and isolated compartments ensure electrical and thermal separation,making them ideal for shared telecom or co-location sites. Get technical specifications and pricing tailored to your project.

Durable outdoor cabinets and enclosures built to withstand harsh weather. Protect your equipment with weather-resistant storage solutions.

Designed to withstand harsh weather conditions, this enclosure ensures reliable operation of fiber optic and telecom systems while maximizing rack density and simplifying deployment.

Whether facing extreme heat in deserts, freezing cold in northern regions, salty coastal air, or heavy rainstorms, an outdoor telecom cabinet provides all-round protection for sensitive telecom equipment.

We provide superior outdoor enclosures that are ready for installation. Fill out our registration form or call us at 904-674-2976 to learn more about our products and customization services.
