Who makes outdoor Telecom cabinets?

Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.

Are outdoor network cabinets IP rated?

In an age where outdoor connectivity is paramount, safeguarding your IoT devices and network equipment from environmental threats is no longer optional. IP Rated (NEMA) Outdoor Network Cabinets are purpose-built to withstand adverse conditions like water, dust, temperature fluctuations, and mechanical impacts.

Why should you invest in sturdy IP rated Outdoor Network cabinets?

By investing in Sturdx IP Rated Outdoor Network Cabinets, you secure your network infrastructure with unmatched durability and performance in any environment. Discover IP rated (NEMA) outdoor network cabinets designed for superior protection and durability for your network infrastructure in harsh environments.

What are IP rated cabinets?

IP rated cabinets offer certified protection against environmental elements. The Ingress Protection (IP) rating determines an enclosure's ability to resist solids and liquids, while NEMA (National Electrical Manufacturers Association) standards specify resistance to corrosion, rain, and other hazards. These enclosures securely host:
