The current period of geopolitical transformation presents opportunities and risks for countries worldwide, but perhaps none more so than ASEAN.

ASEAN's fragmented reaction to US tariffs shows the need for greater solidarity and shared economic mechanisms - something shared by regional blocs across the world.

In a time of fragmentation, ASEAN stands out as a rare economic bright spot because it's leveraging global uncertainty into a strategic advantage.

ASEAN has emerged as a major economic and political bloc. At Davos 2025, ASEAN Secretary General Kao Kim Hourn detailed opportunities and challenges for the region.

The ASEAN Digital Economy Framework Agreement (DEFA) is a new strategic roadmap for the region to address the complexities and opportunities of the digital economy. The world's first ...

Southeast Asian nations reached a milestone in negotiations for a regional digital economy pact, setting the stage for digital integration across a market of 680 million people.

ASEAN has discussed drawing up a code of conduct to be signed with China governing disputes in the South China Sea, but Beijing is reluctant to sign on to a multilateral agreement. What ...

ASEAN leads in the Intelligent Age with innovation, sustainability and regional stability, driving digital growth, climate action and global collaboration.
