Where can I find a proposal/bid due date for a DGS solicitation?

Beginning in March 2016, all solicitations with a proposal/bid due date that have passed will be posted on the DGS Solicitation Archive page. Contract award data for all solicitations is available on the Contract Award page. Starting July 1, 2024, all new solicitations will be available on OpenGov.

What's new at DGS contract & procurement division?

DGS Contract and Procurement Division has partnered with OpenGov and is excited to announce our transition from a paper-based bid solicitation process to a fully automated, web-based electronic bidding and vendor management system. Our new e-procurement portal offers the following features:

What are energy storage procurement contracts?

Energy storage procurement contracts must also take into account the ever-evolving suite of laws and regulations applicable to energy storage projects, including as a result of the recent change in administration in the United States.

What are energy storage contracts?

These contracts allocate the risks of project development, construction, and performance between the parties and include the price that will be paid by the utility for the resource or the energy storage services that are to be provided.

The Contracts and Procurement Transparency Portal is the public clearinghouse for all information related to the District Government's contracting and procurement efforts.
