Holland is one of the "Southtowns" of Erie County, located in the southeast part of the county, and to the southeast of Buffalo. The town was first settled along its northern border, then called "Humphrey ...

Holland is a geographical region [3] and former province on the western coast of the Netherlands. [3] From the 10th to the 16th century, Holland proper was a unified political region within the Holy ...

"Holland" specifically refers to the two provinces of North Holland and South Holland. The confusion arises from historical prominence, but using "Holland" to describe the whole country ...

Netherlands is a country located in northwestern Europe, also known as Holland. The country is low-lying and remarkably flat, with large expanses of lakes, rivers, and canals.

But North Holland and South Holland are actually just two of the 12 provinces of the Netherlands, which is officially called the Kingdom of the Netherlands. In this article, you can find out what has caused ...

Short answer: The Netherlands is often called Holland because the provinces of North and South Holland dominated trade, politics, and culture for centuries. Foreigners began using "Holland" ...
