How can I customize my IP54 electrical enclosure?

You can custom with cutouts, insulation, hinges, latches, or locks. At KDM, we are dedicated to meeting the cost-savings enclosure you need without compromising quality and the high performance you expect from your IP54 electrical enclosure.

What is a rated IP54 enclosure?

Enclosures rated with IP54 are protected against limited dust ingress, and from water spray from any direction. Limited dust ingress means that most dust cannot enter the enclosure, but a small quantity of it can. However, the dust that does get through is not nearly enough to disrupt the work of the electrical components of the enclosure.
