Are all outdoor kitchen modules sold separately?

Each of our outdoor kitchen modules is sold separately so you can buy all the pieces you need--and only the pieces you need. Browse all the essentials needed to create your favourite new cooking space, including modular outdoor kitchen cabinets, sinks, prep tops and more.

What are pre-designed outdoor kitchen modules?

With pre-designed outdoor kitchen modules, you can choose just the pieces you need, get everything assembled and be ready to cook all on your own. Discover all of the modular outdoor kitchen parts and fittings you will need to create an affordable dream outdoor kitchen in your garden space. Shop now.

Are movable modular outdoor kitchen units a good option?

However, if you already have an outdoor hose hook-up for a sink and there aren't any restrictions around using a BBQ, some movable modular outdoor kitchen units you can take with you when you move is a great solution. This flexibility and portability is truly a benefit to all, whether you rent or own your home.
