72 votes, 58 comments. Ciao ragazzi. I search TV shows to learn italian. I thought about Friends maybe ?

The onshore wind portfolio and integrated storage systems developed by Gruppo Hope, comprising six projects in the Italian regions of Latium, Apulia and Tuscany, have been acquired by ...

In this sub you can discuss the Italian language, look up or share italian learning tools, ask for help in your Italian studies, and post or browse Italian content useful for your learning experience.

Italy's wind energy capacity is predominantly onshore, with most installations located in southern regions such as Apulia, Campania, Sicily, and Sardinia, ...

Italian is also a very nice "blueprint" type of cuisine if that makes sense. I really like slightly spicy and creamy food so I took the classical italian lasagna and throw some beans, corn, ...

I am Italian American and would say these are neither "typical" Italian-American, nor what you would call "authentic" Italian. My impression was that they tried too hard to be ...

Following the commissioning of the Mondonuovo wind farm in July, we have started construction of two new onshore wind farms in Italy. Once commissioned, these projects will be able ...

The surge in Italy's energy storage is driven by attractive revenue prospects from TERNA's Capacity Market and Fast Reserve auctions, combined with reforms that advance permitting for small-scale ...
