What is an eco solar insulated outdoor heated cabinet?

I came up with the idea of an Eco Solar - Wind powered insulated outdoor heated cabinet with a place to securely store lifesaving medication etc, incubation for nesting birds etc in any part of the world without the need of main power.

What is eco powered cabinet (EPC)?

He is also an experienced emergency medical technician and it was this combination of engineering and medical know-how that inspired him to develop the Eco Powered Cabinet (EPC) to house life-saving equipment and medication in places without powersuch as beaches,greenways,rivers and mountains.

Are EPC cabinets weatherproof?

"The EPC is multifunctional,temperature controlled and constructed from grade 316 stainless steel," Forde says. "All parts are weatherproofand insulated,allowing the cabinets to be installed in most parts of the world. The options for what can be stored inside are limitless.
