What is the price of electricity in Lesotho?

Lesotho, September 2022: The price of electricity is 0.093 U.S. Dollar per kWh for households and 0.019 U.S. Dollar for businesses which includes all components of the electricity bill such as the cost of power, distribution and taxes.

Does Lesotho need electricity?

The country is renowned for an abundant supply of unspoiled and unexploited water resources, capturing approximately 50% of Southern Africa's total catchment run-off, therefore, hydropower contributes to most of its electricity needs. When it comes to energy access, Lesotho is considered one of the lowest in Africa.

How does Power Africa support the energy sector in Lesotho?

Power Africa supports the energy sector in Lesotho by developing electricity generation projects. Additionally, various firms in Lesotho have received U.S. Embassy support to move transactions forward. For more information, please refer to the page below, which gives an overview of the energy sector in Lesotho and explains Power Africa's involvement in the country.

How much energy does Lesotho consume in a year?

Lesotho consumes 501 m kWh of electric energy per year. Per capita, this amounts to an average of 400 kWh. Lesotho can partly be self-sufficient with domestically produced energy, as the total production of all electric energy producing facilities is 501 m kWh, which is 55 percent of the country's own usage. The rest of the needed energy is imported from foreign countries.

These retail prices were collected in June 2025 and include the cost of power, distribution and transmission, and all taxes and fees. Compare Lesotho with 150 other countries.

Cost and Performance Assessment provided installed costs for six energy storage technologies: lithium-ion (Li-ion) batteries, lead-acid batteries, vanadium redox flow batteries, pumped ...

Official and up-to-date data of Lesotho for all years of statistics, in an easy-to-read format. Analysis of consumer electricity prices with advanced tools for comparisons, trends, shares, and various metrics.

Our analysts track relevant industries related to the Lesotho Battery Energy Storage System Market, allowing our clients with actionable intelligence and reliable forecasts tailored to ...

Lesotho electricity prices and energy storage
