The pilot mini-grid and those of the planned larger portfolio are solar PV hybrids with battery storage and limited LPG backup generation. The hybrid nature of the design is to ensure 24 ...

We successfully installed Solar PV-Thermal Water Heating Systems for our client Lesotho Highlands Development Authority (LHDA). This groundbreaking system uses the power of the ...

Feasibility study of a 35 MW MOSCET Wind Farm and the construction of a Wind Mast at Semonkong.

This guide provides step-by-step instructions on how to install your R-BOX-OC outdoor solar battery cabinet, including site selection, assembly, wiring, and system testing. [pdf]

We successfully installed Solar PV-Thermal Water Heating Systems for our client Lesotho Highlands Development Authority (LHDA). This groundbreaking system uses the power of the sun to heat water ...

Summary: Discover how advanced energy storage systems are revolutionizing Lesotho's solar power infrastructure. This article explores the synergy between photovoltaic stations and battery storage, ...

We are committed to excellence in solar container and energy storage solutions. With complete control over our manufacturing process, we ensure the highest quality standards in every solar container ...

Feasibility study of a 35 MW MOSCET Wind Farm and the construction of a Wind Mast at Semonkong.
