Who is a reliable partner racking supplier in Malaysia?

Your reliable partner racking supplier in Malaysia. YES had a humble beginning in the year 1997. It started off as a small scale business in Georgetown, Penang dealing with shelving and racking. It was previously known as Yong Eng Seng Marketing. With major growth, YES today is a major local supplier of racking system in this region.

Which racking systems are available in Malaysia?

Over here at SKL Metal, we offer a wide range of racking systems in Malaysia. There are boltless racking systems, cantilever racking systems, medium-duty racking systems, and heavy-duty racking in Malaysia.

What is heavy-duty racking in Malaysia?

Heavy-duty racking in Malaysia is useful for warehouses and facilities that transfer, ship, and store material on pallets. Selective pallet racking, cantilever racking, drive-in racking, push-back racking, and boltless racking are the most common types of heavy-duty racking in Malaysia.
