Ocean Sun and Canopy Power have teamed up to launch an innovative 2MWp floating solar power system at Soneva Secret, a luxurious resort in the Maldives.

Fari Islands, a resort archipelago that houses the Ritz-Carlton Maldives and Patina Maldives, is tripling its solar capacity through a partnership with marine solar specialist Swimsol.

The Fari Islands in the Maldives are developing a mix of floating and ground-mounted solar installations expected to meet up to 50% of the archipelago's electricity demand on sunny days.

Previously powered by four high-capacity generators and consuming over a million liters of diesel annually, Veligandu is shifting to a solar-powered model to meet growing energy needs ...

Whether it's relaxing in a solar-powered overwater villa or enjoying gourmet cuisine at a resort powered by the sun, visitors can now experience the Maldives with the reassurance that their ...
