What is civil contractors New Zealand?

Civil Contractors New Zealand is the national association for civil contractors, providing a voice for more than 800 member businesses and organisations. We work to support a healthy civil construction industry, founded on expert knowledge.

How are building and construction projects carried out in New Zealand?

Building and construction projects are almost always carried out in New Zealand under a negotiated contractual arrangement, the form of which will be determined by the type, size and complexity of the particular project.

What is a NZS construction contract?

The New Zealand Standard (NZS) suite of contracts are the most commonly used construction contracts in the market, primarily: NZS 3910 (traditional 'build only'); NZS 3916 (design and build); and NZS 3917 (fixed-term or maintenance). These are often tailored to specific projects through the inclusion of special conditions.

What is the NZ Infrastructure Commission - Te Waihanga?

The New Zealand Infrastructure Commission - Te Waihanga, publishes major infrastructure guidance for projects with a total cost of ownership of greater than \$50m. The information presented in this guideline is intended for general use only.
