-----

Delivers 100 kW rated AC power and 232 kWh battery capacity for industrial and commercial energy needs. Designed with IP55 protection, transformer isolation, ...

This fully integrated 100kW/215kWh system combines high-density battery storage with intelligent power management in a single, factory-assembled unit - delivering unmatched performance and reliability ...

The MEG 100kW x 215kWh Cabinet is engineered as a modular energy storage building block, ideal for commercial facilities, microgrids, and community-scale projects.

The SolaX ESS-TRENE is an all-in-one C& I energy storage cabinet, in air cooling model. Equipped with high-performance LFP cells, advanced energy management, and robust safety features, suitable for ...

Liquid-cooled 100kW 232kWh lithium battery ESS Integrated Solar Power Cabinet, an advanced high-voltage energy storage solution designed for industrial and ...

Delivers 100 kW rated AC power and 232 kWh battery capacity for industrial and commercial energy needs. Designed with IP55 protection, transformer isolation, and real-time monitoring for enhanced ...

This Energy Storage Hybrid PCS Cabinet: A versatile solution for industrial and commercial energy storage. Seamlessly integrates grid-connected and off-grid modes, with bidirectional ACDC and ...

Liquid-cooled 100kW 232kWh lithium battery ESS Integrated Solar Power Cabinet, an advanced high-voltage energy storage solution designed for industrial and commercial applications.
