Why should you choose Powerplus cabinets?

There are enclosures to suit outdoor or indoor installations. Strong steel cabinets with a high quality powder coating finish promote durability and security whilst being well-suited to protected environments like garages, sheds and other enclosed spaces. Like to choose Australian made? Rely on PowerPlus cabinets to protect your next system.

Why should I choose a pre-wired cabinet?

Make your installation simpler when you compliment your batteries with a pre-wired cabinet built with high quality Australian components. Our pre-wired cabinets can be infinitely scaled by paralleling them, giving you the ability to have small and large systems to suit different needs. There are enclosures to suit outdoor or indoor installations.
