IP55 Rated | 24U | AC110V or 220V 2700BTU Cabinet Air Conditioner

What are outdoor cabinets?

Outdoor cabinets are enclosure systems specially designed for outdoor use that protect network devices, electrical systems, and other equipment from harsh weather conditions. These cabinets are usually made of waterproof, dustproof, and temperature-resistant materials.

Combining a consultative approach and engaged support, we guide you through protecting your critical network infrastructure.

Westell offers secure, weather-tight outdoor network enclosures to protect electronic equipment for outdoor telecom networks.

Whether you're planning a single installation or a large-scale network deployment, we deliver BABA-compliant outdoor telecom enclosures built to perform and engineered to last.
