What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accommodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.

What are IP rated cabinets?

IP rated cabinets offer certified protection against environmental elements. The Ingress Protection (IP) rating determines an enclosure's ability to resist solids and liquids, while NEMA (National Electrical Manufacturers Association) standards specify resistance to corrosion, rain, and other hazards. These enclosures securely host:

Are outdoor network cabinets IP rated?

In an age where outdoor connectivity is paramount, safeguarding your IoT devices and network equipment from environmental threats is no longer optional. IP Rated (NEMA) Outdoor Network Cabinets are purpose-built to withstand adverse conditions like water, dust, temperature fluctuations, and mechanical impacts.
