-----

Delivers 100 kW rated AC power and 232 kWh battery capacity for industrial and commercial energy needs. Designed with IP55 protection, transformer isolation, ...

Discover the advanced 100KW-215kWh Outdoor Cabinet Energy Storage System with air-cooled technology. Ideal for peak shaving, backup power, and enhancing renewable energy use in industrial ...

The system consists of one set of 215kwh battery unit, one set of 100kw PCS with liquid cooling system and gas fire protection system, which improves product ...

The system consists of one set of 215kwh battery unit, one set of 100kw PCS with liquid cooling system and gas fire protection system, which improves product efficiency and working stability. Liquid-cooled ...

The HighJoule 100KWh Outdoor Cabinet Series supports RS485, CAN, Ethernet, and Modbus protocols for real-time data transmission. The integrated EMS platform allows for remote monitoring and ...

The iCON 100kW 215kWh Battery Storage System is a fully integrated, on or off grid battery solution that has liquid cooled battery storage (215kWh), inverter (100kW), temperature ...

Perfect for factories, data centers, EV charging stations, and microgrids, this plug-and-play ESS cabinet provides peak shaving, backup power, and renewable energy optimization --all in a compact, easy ...

Built with advanced lithium-ion battery technology and an integrated power management system, this cabinet ensures stable and reliable energy supply by storing excess electricity generated from wind ...
