I suggested we go together / I suggested we went together. Which is the correct usage? Ask Question Asked 12 years, 11 months ago Modified 3 years, 3 months ago

It means roughly "She suggested that we had gone shopping". If she was making a suggestion of what to do, the subjunctive is required for many speakers still: "She suggested ...

Please include the research you've done, or consider if your question suits our English Language Learners site better. Questions that can be answered using commonly ...

Why is this sentence correct? She suggested that he go to the cinema. I would definitely use goes instead of go.

They suggested he get there early. [subjunctive mandative] They suggested he should get there early. [should mandative] They suggested he gets there there early. [covert mandative] On the ...

0 My team's boss suggested that our team should have a meeting with another team. We are currently trying to write a message to the other team but cannot come to a ...

0 My team's boss suggested that our team should have a meeting with another team. We are currently trying to write a message to the other team but cannot come to a conclusion as to how ...

A suggestion (what is suggested, the object of the verb suggest) is a noun. You can't use an infinitive verb where a noun is required. Going here is a gerund, a form of the verb go which functions as a ...
