The meaning of "role" in the sense of "part played by a person in life" derives from French roll (of paper) on which an actor's part is written, and dates back to c.1600.

If something or someone plays a part or plays a role in a situation, they are involved in it and have an effect on it. They played a part in the life of their community.

The role of the two parties involved in a legal proceeding, peculiar to the adversarial system of trial, can help circumscribe whether or not a trial proceeds in a fair and unbiased fashion.
