built Add to word list past simple and past participle of build (Definition of built from the Cambridge Advanced Learner's Dictionary & Thesaurus #169; Cambridge University Press)

Somalia's Ministry of Energy and Water Resources has launched a significant tender for a large-scale hybrid solar and battery energy storage project in northeastern Somalia.

This Horn of Africa nation is making serious moves in renewable energy. With blistering sunshine 300+ days a year, Somalia's betting big on solar-plus-storage projects to rebuild its power ...

But here's the kicker - these plants are designed as modular microgrids. Each 5MW solar+storage block can operate independently, creating a disaster-resilient network. When cyclones knock out one unit, ...

On April 3, 2023, Wuling Power Corporation Ltd., started the construction of its first integrated smart energy project in Bangladesh, a 55 MW rooftop PV power + 5 MW energy storage ...
