The World Bank Group has approved plans to develop Botswana's first utility-scale battery energy storage system (BESS) with 50MW output and 200MWh storage capacity. [pdf]

With a 48V 100Ah capacity, this battery is designed for optimal energy storage, making it ideal for solar systems, RVs, and home backup power solutions.

With a powerful 100Ah capacity, this battery ensures extended energy supply, ideal for off-grid living and solar power applications, providing reliability and peace of mind.

Why Choose Our Battery Systems? Advanced lithium-ion technology for reliable energy storage and backup power

Energypus is a leading supplier of commercial generators, backup systems and microgrid solutions in Botswana. We supply reliable brands from trusted manufacturers.

bulk 5kwh lifepo4 battery manufacturer, 5kwh 7kwh 10kwh 51.2v wall mounted battery manufacturer, oem 5kwh lifepo4 battery manufacturer, 5kwh lifepo4 battery

BSLBATT offers compact & reliable 5kWh lithium batteries for solar, backup, and portable use. High-performance LiFePO4 cells. OEM/ODM available for installers & businesses.

5kW/10kWh solar inverter system with Namkoo power inverter & home battery systems delivers reliable power in Botswana.
