Where can I buy server rack Australia wide?

Purchase server rack Australia wide from SKS Distribution Australia. Quality products to maximise your margin and meet your needs. Quality Free Standing Racks at prices that won't break the bank. Server Racks from leading brands such as Wideband,APC,StarTech.

How much does a server rack cost?

A typical server rack costs around 1k to 2k. Some might think that's expensive for just manufactured metal. The same applies to rack mount cases,which cost at least 500 dollars. However,building one out of wood or other materials might not meet the necessary specifications and requirements.

What is an enclosed server rack?

Server Racks that are protected from all four corners are called "enclosed frames." These are available with locks one or two locks on the front,back or both. Because of the extra metal,enclosed frame racks are a bit more expensive and allow less airflow. The walls allow for more cable management,fans and sensor accessories to be mounted.
