What is Windhoek light?

Note: Promotions in store and online may vary Windhoek light is a true light beer, low in kilojoules and alcohol, but with extra Hallertau hops for full bodied flavour. Brewed 100% pure using malted barley, hops, water and nothing else, it is a well-balanced light lager with a rewarding taste

Are solar street lights a good investment?

Our solar street lights illuminate a wide surface area, are typically used for residential street lighting and car park illumination, and are an excellent investment for your property. Revolutionize your water heating with our range of Geysers PV Kits.

How do solar street lights work?

Each solar street light has a built-in day/night sensor, allowing the light to switch on automatically at dusk and to turn off at dawn (electricity is saved this way and you're saved the trouble of having to switch on and switch off the lights!).
